Untethered mesh APs can be placed anywhere, allowing adds, moves and changes in seconds at your convenience.

UNCOMPLICATED SETUP

INTERNET GATEWAY

MASTER AP

MEMBER AP

MEMBER AP

Uncomplicated network setup anyone can do in 10 minutes out of the box. You just configure one master AP using a setup wizard on your smartphone, and the master configures the rest for you automatically.

UNCOMPROMISED PERFORMANCE

Unleashed APs use hardware identical to enterprise APs so they enjoy Ruckus’ legendary Beamflex antenna technology which sets the industry high-bar for range and mobile device support.

UNRESTRICTED MANAGEMENT

Your APs aren’t tethered, why should you be? You can fully manage your Unleashed network from an intuitive mobile app.

- Simple configuration wizards
- Speed test and trouble shooting tools
- See users, app usage and Wi-Fi health
- Charts and data you can understand

Buy it, install it, forget about it... it just works.
